

Dampier Palms & Hampton Oval Redevelopment

Fabritecture was contracted for the design and construction of a series of highly bespoke architectural canopy structures as part of the Dampier Palms and Hampton Oval Redevelopment in Western Australia.

The canopy structures are made from aluminium cladding and are part of our 'Special Projects' offering at Fabritecture.

Location: Karratha, WA, Australia (2019)

Building Type: Bespoke architectural aluminium clad canopies

Size: 1,290m² (13,885ft²)

Materials used: Aluminium cladding
