

# Wigley Reserve

Fabritecture was contracted for the design and construction of a feature shade structure as part of the Wigley Reserve development. The structure was to be an architecturally unique cable net structure which provided shade to patrons below.

The structure was to cover a plan area of approximately 170m<sup>2</sup> and comprise a painted steel frame, cable net support structure and shade cloth panels of 1.4 x 1.4 supported within the cable net.

**Location:** Glenelg North, SA Australia (2020)

**Building Type:** Cable-supported fabric canopy

**Size:** 240m<sup>2</sup> (2,583ft<sup>2</sup>)

**Fabric:** Gale Pacific Commercial Heavy 430
